2010 – 2011 High School Students: 9th - 12th grade. Philadelphia residents living over 1 ½ miles from CCA are eligible for **FREE SEPTA Trans Pass**.

Request Septa Trans Pass _____

Philadelphia provides yellow bus service for students 1st through 8th grade. Philadelphia student residents 9th – 12th grade are eligible for free Septa Trans Pass, please indicate if interested, **new requests must be submitted yearly**. All other school districts will bus Kindergarten through 12th grade.

If you are not sure about your plans for next year, please request bus service. It is easier to delete a student from the bus roster than add them later. Bus requests received late take several weeks to set up and may not be available for the beginning of the school year. The local school districts set up bus stops and times and give CCA deadlines for our requests. **If you move during the school year please let us know in advance of the move** then CCA can request your transportation ahead of time and hopefully have a bus at your new location upon your arrival.
