DivorceCare is a **weekly** seminar and support group for people who are separated or divorced. DivorceCare is a place where you can be around people who understand what you are feeling. It's a place where you can hear biblical teaching and valuable information about ways to heal from the hurt of this experience.

At DivorceCare you will become part of a group who are also experiencing separation and divorce. The group will meet **13 consecutive weeks**. Each week a video seminar featuring experts on divorce and recovery will be viewed. After the video, you will become part of a small support group to discuss what you've just seen on the video and what's going on in the lives of group members. The leadership team consists of people who understand how you feel and have a real concern for those who are experiencing separation or divorce.
