

Women's Ministry Board

We'd like to introduce you to the ladies on the Women's Ministry Board. The Lord has brought us together as a team to pray for the women at Calvary and to seek the Lord for what He would want us to do for Women's Ministry. We thank the Lord for all the ladies who volunteer each year to help us with the different Women's Ministry functions. You are all such a gift to us! We are very excited about serving Him this year!
